

Your proposal will be reviewed and evaluated based on price and past performance. You will be contacted to discuss minor clarifications or questions concerning your proposal and to establish a specific time if negotiations are conducted. The Government intends to evaluate proposals and issue a task order without discussions (except communications conducted for the purpose of minor clarification). Therefore, each initial offer should contain the offeror's best terms from a price standpoint. However, the Government reserves the right to conduct discussions if later determined by the Contracting Officer to be necessary.

The Wage Determination that is applicable for this project is NC100033, Building.

The Contract Completion Date (CCD) is 365 calendar days after contract award.

Under the line items furnished the offers shall state prices for each line item given hereinafter:

Priced Line Item 0001

Price includes all work on this project, but excluding work described in Priced Item 0002. The price for this line item should include all applicable costs, overhead and profit for this work.

\$ _____

Priced Line Item 0002

Price includes completing all work in the shaded areas on attached floorplan to include all architectural finishes (i.e. switches, outlets, conduit, wire, lights), and any plumbing modifications. Windows or exterior repairs for the shaded areas shall be included in Priced Line Item 0001 (except for the metal patio cover off of classroom #105, and infills that will be constructed in the openings for exterior doors that are to be demoed). All telecommunications work for the entire building will be included in this priced line item. The price for this line item should include all applicable costs, overhead and profit for this work.

\$ _____

TOTAL Priced Line Item 0001 & Priced Line Item 0002:

\$ _____

Notes

- A. Offers must be submitted on all items. Failure to propose on all items may result in the offer being rejected as non-responsive. Award will be made on the total sum of Priced Line Item 0001 and Priced Line Item 0002.**

You may contact the OICC at (910) 451-2581 to inspect site conditions, review available as-built drawings, or inquire about other on-site technical details. Any changes to the scope of work will be effected on a Standard Form (SF) 30.
